# A Message from "The Editor"

First I'd like to thank Mr. Smell for putting up with me and my crazy staff. I'd like to thank my patient friends for putting up with me while I devoted my time to this yearbook, and all the teachers for excusing me from class to work on the yearbook.

This book will probably be the only thing that keeps us together after graduation. The pictures may be black and white and after a few years the pages may be torn and may fade. But the memories will never fade and they're worth more than their weight in gold.

Eugenia Brooks

With twelve years of education behind them, members of the class of 1988 will undoubtedly be remembered as some of the most talented students ever to pass through the doors of our high school.

They have received recognition for being in sports as well as in academics. They have performed in plays, competitions and not to mention a few championships! But most of all they have been setting themselves up for the future, a future where they are expected to make all the decisions, and be able to live with the choices they've made.

They've learned to live in a fast paced world in a short amount of time. They have taken the good with the bad, striving toward accomplishments and achieving their goals not only for themselves, but for the class.

So in saying farewell to these young adults, we must remember that no matter what they accomplish in life each one of them always prided him or herself on being a friend to the others and as long as they have their memories from yesterday, their dreams of tomorrow will never be out of reach!

# SENIORS

For everyone, school days are very special, but it is the Senior who realizes this better than anyone. For twelve long years he has strived toward a final goal and upon reaching it, looks back half smiling — half tearful and wonders "Where has the time gone!" These years, in retrospect, contain not the petty differences of childhood, not the uncertainty of adolescence but the wonderful lifetime experiences of a child becoming an adult.

# Life

From that long dreaded first bell of the first day, to the final hurrah of the last, it was our friendships, free time, and even our differences of opinion that got us through it all. Of all our school days, it is these times we remember most fondly.

# Band Takes Disney World

This is the first year the Band has gone to Florida. Money was raised through the Band Boosters. After they performed at Disney World they enjoyed such sights as Wet-n-wild, the rides as Disney World, Epcot Center and Daytona Beach. While they were at the Beach, they had a cook-out. Wow, What fun!!!

# Varsity & Jr. Varsity

Cheerleaders are a spirited group who generate enthusiasm and spirit for the student body and participating teams in athletic events. The CAHS Cheerleaders worked very hard throughout the year. They participated in many other activities outside school; like competitions and fundraisers.

# Homecoming

The 1987 Carmichaels Area School Homecoming ceremony preceded the Carmichaels-Avella game held on Oct. 30. Homecoming Queen Denise Klein described the night as "unforgettable" as Football Captains H. Workman and B. Fabery crowned her.

Pictured above are the Homecoming Attendants and their escorts. They are: Freshmen — Kathy Belan and Tom Davidson, Nicole Beal and Rich Burkholder. Sophomores — Lisa Shrader and Pete Stofcheck, Vicki Repa and Chad Warren. Juniors — Lori Burkholder and Bill Cree, Kim Miller and Mark Murphy. Seniors — Mike Booze and Chris David, Heather Vuknic and Bill Crick. Then Queen Denise Klein and Tim Winslow.

The last home football game of the season was a memorable one for all who attended. It was at that time all seniors who participated in football, cheerleading, and the band were recognized for their long hours of hard work and dedication. Every senior stood on the football field with their ecstatically proud parents before the Carmichaels vs. West Greene game started.

This exciting and special October evening ended in a very glorious victory as the Mikes won 13 to 0. Afterwards the seniors proudly celebrated over our victory.

Pictured to the right from top to bottom are Tim Winslow, Dave Barno, Eddie Shrader, Bill Phillips, Dave Bowser, Kim Whoolery, and Bob Fabery, all proudly standing with their parents.

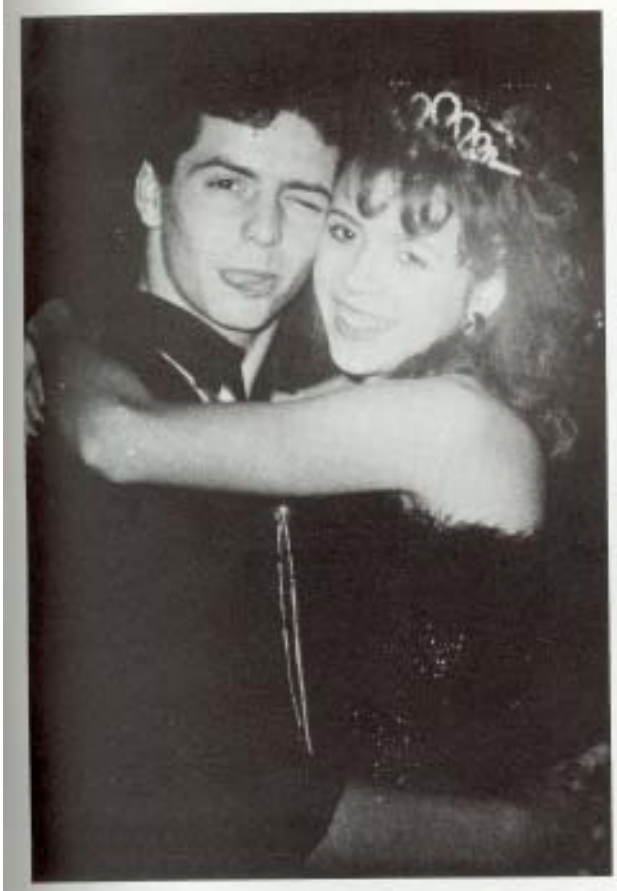
Bottom Left: Danny shows us where "Aerosmith" got the idea for their top ten hit "Dude Looks Like A Lady!" Bottom Right: Amy, Hank, Denise, and Traci — The officers of the Rambo Fan Club.

# SPIRIT WEEK

The Spirit Week activity took place during the week before Senior Night. The Senior High showed their enthusiastic spirit for our school by dressing up in many different ways. Throughout the week the students were "pysched" up for Sr. Night.



"When You Wish Upon A Star" Was the theme for the Cinderella Ball, November 21, 1987. It was held in the gymnasium and Mark I provided the music. Shannon Pratt and Beth Demasse were crowned King and Queen for the evening. Pictured with them is Dayna Gwynn, escorted by Bobby Phillips and Lisa Kirk with Mickey Jetten, who were chosen as the court.

# Cinderella Ball

# Supreme Ladies

School days include studying, fun times, competitions, and activities. Some special activities take place in our school which allow students to compete for recognition and titles. Among these titles are Coal Queen and Miss Merry Christmas. Chylene Ross was this year's Coal Queen representative. Heather Vuknic was chosen by the student body to represent Carmichaels as our Miss Merry Christmas.

On December 18, 1988, Carmichaels had a one-day fundraiser All proceeds went to the Children's Hospital in Pittsburgh. The amount raised was $922. Games and activities were held all day in the gym. The National Honor Society, Senior Standing Committee, Student Council, and Nuclear Physics were a great help making the winter carnival a great success. When the money was taken to Children's Hospital in Pittsburgh, the band performed a Christmas medley.

# PROM "88"

The Carmichaels Area Junior-Senior Prom was held on May 14 on the Gateway Clipper. Pictures were taken at the High School prior to the ship boarding which was held at 8 o'clock.

# Why Can't This Night Go On Forever

Some two weeks before the Prom, the seniors voted for the King, the Queen, and the Court. The results were as shown in the picture (L to R) Paxton Pratt and Kathy Chess; Ryan Decker and Stacey Vavrek; King: Joe Brodak, and Queen: Amy Bair; Denise Klein and Tim Winslow; Chrissy David and Nathan Henz. The court was beautiful, the evening was beautiful, the chaperones were beautiful. The evening was highly enjoyed by all.

The Prom is a very special evening for those who attend it. But just as memorable are the festivities afterward. Such as the after-prom. The after prom is a get together for the attendants. There is plenty of food and pop there. Also, it is a place to dance, a little more casual!

The Senior Class extends a warm and gracious thank-you to Mrs. Gabeletto for her arrangements and photographs.

Prom is a thrill for the past graduates as well as the graduates of the future.

# Mardi Gras

This year's prom theme was "Why Can't This Night Go On Forever" by Journey. Everyone received either a glass or a mug, a scroll, and mint treats.

This year's AFTERPROM theme was Mardi Gras. The decorations were a joint project. Seniors from the Standing Committee and Student council decorated the gym and transformed it into another world. The art club supplied us with a huge green dragon. THANKS GUYS!!!

As you can see, the dress was rather casual. Casual or not, the evening was a BLAST!!!

Tracey McIntire, Heather Vuknic, Carol Rutkowsky, Ed Shrader, and Chooch Estanich are a few of the seniors.

# Pomp and Circumstance

As the lights shone and the music played 104 seniors processed into Carmichaels High School Auditorium, June 3 for graduation.

It was a memorable evening for all the graduates who were happy, sad, relieved, and scared all at the same time. After four years of work, fun, and friendship, the end had now come.

The Rev. Fred Shopee gave the Invocation and Benediction. Dr. Thomas Mils, Pres. of Waynesburg College, was the main speaker and gave the address on this occasion. Dr. Dolores Zoldos also gave her annual message to the graduates. Valedictorian Jennifer Mawhinney, Salutatorian Dania Commons, and Class President Amy Bair also made speeches to their fellow classmates. Diplomas were handed out by School Board Pres. Erma Jean Thomas and Principal Patrick Sherlock. The ceremony was dignified and meaningful to all present, even though an interruption occurred in the speaker system.

Linda, Nathan, Diane, Laura, and Kristin wait anxiously to receive their diplomas.

Mike Clark and Kathy Chess can hardly believe the time has come to graduate.

The three student speakers show looks of anticipation as they await their turn to speak.

# SPORTS

The Carmichaels Golf team did less than expected this year. Half way through the year they lost coach Hoyle and found hard times, but Mr. Stuvak picked up where Mr. Hoyle left off and took the team to a 3-11 record. Each member of the team lettered this season with only two returning next season.

The football team had an Impressive season ending with the victory over arch rivals Jefferson Rockets. The over all record was 5 wins and 5 loses. The Mikes lose 12 seniors and 7 returning letterman. This season has produced seven members of the all conference team. We would now like to congratulate Bill Phillips and Dave Barno for furthering their game, on a football scholarship to California University of Pennsylvania.

## HELLO TRACK!

The long hours of practice has paid off; we made it to the playoffs. Each year we get closer and closer. The outcome will not be known, but we are confident that our girls will do their best. Mr. Krajnak has always had a saying, "You are not girls, you're athletes." With that in mind, the girls, excuse me; athletes, have pushed their way into a great season.

# FROM ONE NEIGHBOR TO ANOTHER

Nearly 90 years ago, Community Bank was founded on a time-honored dedication to service. From generation to generation, we've served the residents of southwestern Pennsylvania as a neighborhood bank. A bank that takes the time to know our customers, not just their account numbers. A bank that cares about individual banking needs and offers a full line of services to make sure these needs are met.

In today's world of international financing and big-city banking, it's good to know that Community Bank still believes in the simple idea of "neighbor helping neighbor." That's a nice alternative to big banking, it's Community banking... up-to-date financial services with an old-fashioned personal touch. In fact, we're much more than a bank, we're a friend. We're your Community Bank.
